

KUMARAVEL K M

kumaravelkm2908@gmail.com | 9361437252 | Chennai

OBJECTIVE

Motivated and detail-oriented Information Technology student with knowledge of Java, Python, SQL, HTML, CSS, and JavaScript. Passionate about software development, web technologies, and software testing. Seeking an opportunity to apply technical skills, contribute to organizational growth, and gain hands-on industry experience.

EDUCATION

Panimalar Engineering College | Chennai

B.Tech Information Technology (2022–2026)

CGPA: 8.18

Don Bosco Matric Hr. Sec. School | Chennai

HSC (2022) – 76.8%

Don Bosco Matric Hr. Sec. School | Chennai

SSLC (2020) – 79.8%

SKILLS

Programming Languages: Python, Java

Frontend Technologies: HTML, CSS, JavaScript

Backend Technologies & DataBase: Flask & SQL

Tools: Git, GitHub

PROJECTS

Movie Management & Recommendation System (Python)

- Developed a *console-based Movie Management & Recommendation System* using Python with features including add, view, search, update, delete, genre-based recommendations, top-rated movie retrieval, and rating-based filtering.
- Implemented *JSON-based persistent storage* using Python dictionaries and refactored the application into a modular architecture by separating business logic, file handling, and program flow, improving maintainability and code organization.
- Applied *Git and GitHub* for version control throughout development, strengthening practical skills in Python, file handling, JSON processing, modular programming, debugging, testing, and software development best practices.

To-Do List Website

- Designed and developed a responsive web application using HTML, CSS, and JavaScript.
- Enabled users to add, edit, delete, and manage daily tasks.
- Improved user experience through a clean interface and real-time task management functionality.

Task Manager with Java

- Developed a Java-based Task Manager application to create, update, delete, and organize tasks efficiently. Implemented task prioritization, status tracking, and data management features.
- Applied object-oriented programming concepts and Java development practices.
- Enhanced productivity by providing a structured interface for managing personal and professional tasks.

CERTIFICATIONS

- Python Foundation Certification – Infosys Springboard
- Web Development Internship – ApexPlanet Software Pvt. Ltd.
- SQL Intermediate – HackerRank
- Front End Web Developer Certification & Certificate on Java Features – Infosys Springboard
- Introduction to Soft Skills – TCSiON
